RTP

**Out Of Nowhere** **5**

Black market sensor-stealth arrays can be used to hide starships from enemy sensor scans. Stellar interference can naturally shield a starship for surprise attacks.

**USED INTERRUPT**

If opponent just initiated a battle at a system where you have a starship with maneuver > 3, use 1 Force to add one battle destiny.

RTP

**Panic** **4**

Cornered by Imperial troops, Han's gambler reflexes led him to do what comes naturally - attack! Surprise assaults work...sometimes.

**LOST INTERRUPT**

If opponent just initiated a battle where opponent has more than double your power, reveal up to 3 cards from your Reserve Deck. Of those 3, deploy anywhere (for free) any characters, starships, vehicles, or weapons. Any others are lost.
